

Non-nail drills. These drills are not designed to be used on nails and are not safe to use on nails. Please see *Chapter 250-X-3.02(6)*:

“No licensee shall use any drill or other equipment, supply or product for any purpose other than that for which it was intended. Only drills marked by the manufacturer “For Human Nails” are acceptable.”

and *Chapter 250-X-3.02(7)*:

“No licensee shall use any craft or hobby tools or modified craft or hobby tools in providing services.”
